Fire School Registration Notice!

The STARS/ERMA registration system WILL BE USED for 2009 Fire School registration. If you don't know your password then follow the option on the sign-in page to reset your password. If you receive an error message then go back to the sign-in screen, type your EIN and type anything as your password and you will see the option to activate your account. Please follow the link as posted below.

The correct link for registration is www.erma.az.gov.

Please use this link, and note that the names "ERMA" and "STARS" will both be used during the transition.
